

Hi All,

Sorry this newsletter has taken a while, what with District Camp and other events I have been rather pushed for time. Enough of the excuses, here goes;

## **SPONSORED WALK**

Most of you will have received a sponsor form from your Cub, my leadership team forgot to put the date on the form. We will meet this Monday 16th June on the green next to the Arbury Community Centre, (Arbury Carnival Arena) at normal time 18:30 to hold the sponsored walk, Cubs are to be picked up at 20:00 from the same place, the wet weather programme is...bring a raincoat.

Some time ago we held a "choose a charity night" and the Cubs chose SSAFA as their favourite charity on offer. The Soldiers, Sailors, Airmens Families Association is a charity who aim to provide social, economic and medical help for former and current servicemen and their families. I am sure you will all give your Cub your full support in this venture, due to the short notice we will continue to collect sponsors for another week, I will allow another week to collect money and ask that it is handed in on Monday 30th June.

## **GROUP INTERNATIONAL AWARD**

We are currently working towards our group international award. Project Meridian is a group of Explorer Scouts who are going to Ghana to build a Scout Hut for an African Scout Group, We are supporting their venture by putting together a games box to be presented to the African unit, this will include rules and resources for some of the Cubs and Beavers favourite games, some letters and photos from our members and hopefully a flag.

Once we have received some feedback from Ghana we will have qualified for the award. To aid the Explorer Scouts financially we will be buying their special Woggle that has been made for their trip, this will be paid for by group funds, in addition to the Woggle there is a charity wristband available, Cubs may buy one of these for £1.

## **SUBS**

Please can I have any overdue subs at the earliest opportunity.
